**Standards of Learning for Virginia
Introduction to History and Social Science: Focus on Ancient World Cultures
Grade Three**

The standards for third-grade students include an introduction to the heritage and contributions of the peoples of ancient China, Egypt, Greece, Rome and the West African empire of Mali. Students should continue developing map skills and demonstrate an understanding of basic economic and civic concepts. Students will explain the social, cultural, and political characteristics of major ancient world cultures. Students will recognize that many aspects of ancient cultures served as the foundation for modern governments, customs, traditions, and perspectives.

HISTORY

3.2 The student will explain how the contributions of ancient China and Egypt have influenced the present world in terms of architecture, inventions, the calendar, and written language.
