Revised April 2016

**Standards of Learning for Virginia  
Introduction to History and Social Science: Focus on the Community  
Kindergarten**

The Standards for kindergarten students focus on the local community and include an introduction to basic history and social science skills. During the course of their first year in school, students should learn about their community, including basic concepts related to history, patriotism, national symbols, good citizenship, geographic location, economics, and the importance of following rules and respecting the rights and property of other people.

**HISTORY**

- K.2 The student will recognize that history describes events and people from other times and places by**  
**a) identifying examples of historical events, stories, and legends that describe the development of the local community; and**  
**b) identifying people who helped establish and lead the community over time.**
- K.3 The student will sequence events in the past and present and begin to recognize that things change over time.**

## GEOGRAPHY

**K.4 The student will describe the relative location of people, places, and things by using positional words, with emphasis on near/far, above/below, left/right, and behind/in front.**

See books listed in K.7				
-------------------------	--	--	--	--

**K.5 The student will use simple maps and globes to**  
**a) develop an awareness that a map is a drawing of a place to show where things are located and that a globe is a round model of Earth;**  
**b) describe places referenced in historical events, stories, and real-life situations;**  
**c) locate land and water features;**  
**d) identify basic map symbols in a map legend; and**  
**e) identify places and objects of a familiar area.**
