**Standards of Learning for Virginia  
Introduction to History and Social Science: Focus on the Commonwealth of Virginia  
Grade One**

The standards for first-grade students include an introduction to the lives of leaders in the history of Virginia and their contributions to the Commonwealth. Students should develop basic map skills. They should study the economic concepts of goods and services, consumers and producers, and making economic choices. Students should learn to apply the traits of a good citizen and recognize that communities in Virginia have local governments. They should learn that communities include people who have diverse ethnic origins, customs, and traditions, who make contributions to their communities, and who are united as Americans by common principles.

**HISTORY**

- 1.2 The student will demonstrate knowledge of Virginia history by describing important events and people in the history of the Commonwealth, including**
- a) the settlement of Virginia at Jamestown;
  - b) famous Virginians, such as George Washington and Thomas Jefferson, who helped form a new nation; and
  - c) life in Virginia today, including food, clothing, shelter, transportation, and recreation.
